

NZARE One-off Scholarship!

Student Information: NZARE
NEW ZEALAND ASSOCIATION FOR RESEARCH IN EDUCATION
- TE HUNGA RANGAHAU MĀTAURANGA O AOTEAROA -

The NZARE council is seeking applications for the Geraldine McDonald Scholarship!

This one-off scholarship, which may take the form of a stipend, is to support a **Masters or Doctoral student** to write the **History of NZARE** as his or her thesis.

- The Scholarship honours Dr. Geraldine McDonald and her contribution to NZARE as its inaugural president.
- It is hoped that this project may begin in 2008, but proposals will be considered from prospective candidates and/or supervisors for projects beginning later than this.
- The selected candidate will have access to the NZARE archives for the purposes of the project. It may also be possible for NZARE to provide some assistance in producing a book as a result of the successful thesis.
- The Scholarship is for a sum of up to \$5,000 and is negotiable, depending on the nature of the selected candidate's project.

Expressions of interest and inquiries from potential candidates and supervisors may be made to the NZARE Student Representative Roanna Horbelt at student.rep@nzare.org.nz
