NZARE ANNUAL GENERAL MEETING

The NZARE AGM will be held at our conference on **Tuesday 21st of November 12.45pm.**

Elections - Nominations close at **12 noon on Monday the 20th November**, but we would appreciate receiving them before this time to allow time to prepare materials for voting.

AGM AGENDA

Will be shared next week.

NOMINATIONS FOR NZARE COUNCIL

- Nominations are invited for open council positions. These include all positions where members have served their two year term and are therefore up for renewal.
- Both co-presidents have completed their terms. Our Māori co-president, Mere Berryman has had 3 years in the role and has expressed a desire to step down. This is a critical role co-leading the whole of NZARE as an association. While the co-president Māori is likely to have important links to the Māori caucus, nominees for co-president should also have the mana, expertise, time, and willingness to contribute to overseeing and advancing the association at large. Co-presidents (whether Māori or non-Māori) are likely to be senior scholars with prior experience in leadership and/or governance roles.
- Our other co-president, Robyn Caygill has had 2 years in the role. She would be happy to stay on for another term if the members agree. Prior to COVID, we had a system where one co-president was in the first year of their term while the other was in their second year. This enabled strong continuity of leadership in the organisation. With Mere standing down and Robyn ending her term, council would like to propose to members that there is a good argument for Robyn to continue in this role, using the strengths and connections she has built in the last year. However, this position will still be open for nominations.
- Our treasurer, Rachel Cann, has had 2 years in the role and would be happy to stay on for another term if the members agree. There is also a good argument for continuity in the role as it is a complex role that requires an analytical mind.
- There are 3 other positions available, Secretary of the organisation and two general roles. Those members appointed to all 3 roles will be expected to take an active role in growing and strengthening the organisation.

HOW TO NOMINATE SOMEONE

If you wish to nominate someone for one of these positions, please download and complete the nomination form [here](#). You will need a nominator, a seconder, and the signature of the nominee. To enable members to fairly judge when it comes time to vote at the AGM, please provide a paragraph on the nominee's skills and strengths applicable to the council position. A current photo would help members identify you and would also be used for updating the website.

Please send your completed nominations to our secretary, Kirsten Locke at k.locke@auckland.ac.nz

Nominations close at **12 noon on Monday the 20th November**, but we would appreciate receiving them before this time to allow time to prepare materials for voting. Visit our website to view [our people](#). **Only members can vote at our AGM and stand for council.**
