PACIFIC CAUCUS TALANOA

7pm Thursday 3rd July

Join Katie and Emma as they host Cook Island Māori researcher Dr Joseph Bruce Tutonga Houghton. Joseph has negotiated the use of the talanoa and tivaevae methodologies as part of his participatory action research doctoral study. His experience indicates a dynamic synergy between the two methods, as they pertain to the Pacific educational research field in New Zealand.

Follow this link: <http://bit.ly/3TxIsfH>

I will be on leave between the 30th of June to the 13th of July and will respond to emails upon my return.

If you need help with the HelloClub portal, please email support@helloclub.com
