Connections, Responsibilities, Futures

Our 2025 annual conference at Auckland University is just over 8 weeks away! There is so much happening across the education sector and the NZARE conference is one of the best places to find out and connect with new and old friends and colleagues. This is shaping up to be another great conference, so please encourage your colleagues and people in your education networks to attend.

See the conference webpage: nzare.org.nz/conference/

Registration

To simplify the registration process we are asking all conference attendees to first become a financial member of NZARE for the 2025/26 year. [Click here](#) to become a member.

Conference dinner is optional. It is free with full conference registration. However, this year tickets are limited to the first 245 paid registrations.

Contestable Grants Copyright

Licensing NZ (CLNZ) is excited to announce that applications are now open for the 2025 round of Contestable Fund Grants. We have \$75,000 available to support strategic projects that demonstrate the New Zealand publishing sector's growth. The Contestable Fund Grants are made possible through the CLNZ Cultural Fund.

Call for books for our SPOTLIGHT ON PUBLICATIONS

One of our usual conference activities is a spotlight on publications. In this session we provide an opportunity for NZARE members to display their latest books. We usually only include books published since the previous conference.

To be included in this session, we usually expect authors to make available copies of their books for the attending conference participants to look at. In this age of fewer books being published, if your book is only available as an e-version, you may instead provide a flyer with details for conference participants to peruse.

To be included in this session or to nominate a book authored or co-authored by an NZARE member, email: nzare.eo@gmail.com
